

Texas Association of County Auditors

October 17, 2018

By-Laws Change

For your review, please find the proposed Texas Association of County Auditors By-Laws' changes that are being discussed and considered for approval by the entire general assembly. The TACA By-Laws were last amended on October 18, 2017 and can be found on the TACA website.

In summary, the changes are:

Article V – MEETINGS (page 2 of 9) reads:

“The Association shall meet in general conference assembly at least once in each year, the place to be designated by popular vote at each preceding conference meeting, and the time to be set by the host auditor with the approval of the Board of Directors.”

Article V – MEETINGS (page 2 of 9) should read:

“The Association shall meet in general conference assembly at least once in each year, the places to be designated by popular vote at a preceding conference meeting, and the time to be set by the host auditor with the approval of the Board of Directors.”

This change will clarify any concern regarding contracting hotels for future conferences in advance.

It is an honor to serve as the chairperson of the By-Laws Committee.

Sincerely,

Lisa Smith
TACA Board Member
Chair, TACA By-Laws Committee
Bastrop County Auditor
