

**Counties Approved to use the Countywide Polling Precinct Program  
(CWPP) for the November 8, 2016 General Election**

The counties on this list are approved to use the Countywide Polling Precinct Polling Place program for the November 8, 2016 Primary Election date. Those counties that have been designated Successful are not required to seek SOS approval to use the CWPP program for the election.

The counties with an \* are newly designated Successful counties.
